OUR COMPANY

Crevil Cosmetics & Pharmaceuticals Germany develops, produces and distributes a wide range of innovative beauty and pharma products, which are all produced in response to customer demand and which meet German and European industry standards.

We confirm, that all our products are manufactured in compliance with the guidelines for Good Manufacturing Practices, ISO and are accordance with the decree on German Standards.

We also follow COLIPA dated July 1994, the procedures and controls according to the rules issued by the World Health Organization (WHO) in 1991 and according to Directive 76/768/EEC.
Through permanent research and development we guarantee a high quality standard of all our products.

Our production is subject to strict internal checking and control. Before the ingredients are used in production, they are checked by the company's internal RMQS (Raw-Material Quality System) procedure. We

produce our own brands as well as private label products for large company clients.

Crevil sells its products throughout Europe, North America, Middle East, Asia and Africa.

OUR MODERN PRODUCTION METHODS GUARANTEE OPTIMISED PRODUCTION COSTS

The latest technologies along with innovative processes guarantee not only highest possible product quality but also optimised production costs.
The most modern equipment and production machinery from leading international manufacturers ensures, that all stages of production meet internationally-accepted norms. Combined with our independent manufacturing technologies, our production process is very efficient.

FORMULA DEVELOPMENT

Do you have particular requirements as to ingredients? The possibilities to include whatever you want at the development stage are practically unlimited.

We'll help you to choose the right ingredients throughout the process until you get everything you wanted in the finished product.
Our innovative extracts, vitamins, minerals, oils and perfumes make up more than 8,000 ingredients.

Using the latest technologies for research and with over 2,000 tried and tested products in our ranges, we're confident that we're the right partner for you, if you're looking to develop a specific product range for a particular market.

Our quality assessment starts right from the moment when we begin developing the formula, so you can be sure that you're getting the highest quality product possible. We base all our formulas on our extensive, standardised tests for viscosity, density and pH value.

You will receive your own individualised samples, so you can be sure that you're getting exactly what you want. At all stages of the development process we constantly update the product, taking into account any changes in formula, perfume, consistency, tolerance and safety issues.

PRODUCT SAFETY

Our quality management system ensures that its principles are followed in actual practice all employees, whether management or shop-floor workers, play an active part in ensuring that our quality management system is applied. Our QM system is constantly improved. So that we obtain the highest possible levels of customer satisfaction.

IT IS OUR RESPONSIBILITY TO FULFILL ALL OUR PARTNERS' BUSINESS DEMANDS AT ANY TIME.

VAGIVAL

VAGIVAL

100ML

DAILY FRESHNESS
HYDROLYZED MILK WASH

VAGIVAL Hydrolyzed Milk Wash, developed by women doctors and gynecologists, is a luxurious and gentle cleansing solution specifically designed for the intimate area. Infused with hydrolyzed milk proteins, this wash offers nourishing and moisturizing benefits while maintaining the skin's natural moisture barrier. Ideal for daily use, it supports a healthy pH balance and soothes the delicate skin of the intimate area.

KEY FEATURES

- ✓ Hydrolyzed Milk Proteins: Enriched with hydrolyzed milk proteins, known for their nourishing and moisturizing properties, this wash helps maintain soft and healthy skin.
- ✓ pH-Balanced Formula: Formulated to match the natural pH of the intimate area, typically between 3.5 and 4.5, to support the area's natural defenses.
- ✓ Gentle Cleansing: Provides effective cleansing without stripping the skin of its natural oils, making it suitable for daily use.
- ✓ Hypoallergenic and Dermatologist-Tested: Free from harsh chemicals, parabens, and artificial fragrances, designed to minimize the risk of irritation and allergic reactions.
- ✓ Soothing Ingredients: Contains natural soothing agents to calm and comfort sensitive skin.

VAGIVAL

DAILY FRESHNESS
LACTIC ACID WASH

VAGIVAL Lactic Acid Wash, developed by women doctors and gynecologists, is a specialized intimate cleanser designed to maintain the natural balance and health of the vaginal area. Infused with lactic acid, this wash helps preserve the acidic environment essential for preventing infections and ensuring overall vaginal health. Its gentle formula provides effective cleansing without disrupting the natural pH balance.

KEY FEATURES

- Lactic Acid Infusion: Contains lactic acid, a naturally occurring component in the vaginal environment, known for its role in maintaining natural acidity and preventing the growth of harmful bacteria.
- pH-Balanced Formula: Formulated to match the natural pH of the intimate area, typically between 3.5 and 4.5, to support the area's natural defenses.
- Gentle and Effective Cleansing: Offers a thorough yet gentle cleanse, effectively removing impurities without causing dryness or irritation.
- Hypoallergenic and Dermatologist-Tested: Free from harsh chemicals and parabens, ensuring safety for sensitive skin and suitability for everyday use.
- Soothing and Hydrating Ingredients: Enriched with soothing agents that help calm and hydrate the skin, leaving it feeling fresh and comfortable.

DAILY FRESHNESS
NO ODOR SPRAY

VAGIVAL Intim No Odor Spray, developed by women doctors and gynecologists, is a specialized deodorizing spray for intimate areas. This gentle yet effective formula helps neutralize and eliminate unwanted odors, ensuring long-lasting freshness and comfort. Ideal for daily use, it supports personal hygiene and boosts confidence without disrupting the natural balance of the intimate area.

KEY FEATURES

- ✓ Odor Neutralization: Utilizes advanced odor-neutralizing agents to effectively eliminate unwanted odors, providing all-day freshness.
- ✓ pH-Balanced Formula: Maintains the natural pH balance of the intimate area, promoting a healthy environment.
- ✓ Gentle and Safe Ingredients: Free from harsh chemicals and parabens, ensuring safety for sensitive skin and suitability for daily use.
- ✓ Hypoallergenic: Formulated to minimize the risk of allergic reactions, making it suitable for all skin types.
- ✓ Discreet and Convenient: Comes in a compact, easy-to-use spray bottle that can be carried discreetly for on-the-go freshness.

VAGIVAL

DAILY FRESHNESS
PH BALANCE WASH

VAGIVAL pH Balance Wash is a specially formulated cleanser, developed by women doctors and gynecologists, designed to maintain the natural pH balance of the intimate area. Ideal for daily use, this wash provides a refreshing and soothing experience while protecting against irritation and discomfort. Its mild formula helps preserve the natural acidity of the intimate area, supporting the body's natural defenses against infections.

KEY FEATURES

- Balanced pH Formula: Carefully crafted to match the natural pH of the intimate area, typically around 3.5 to 4.5, helping to maintain the area's natural protective barrier.
- Gentle Ingredients: Contains mild, hypoallergenic ingredients that cleanse without causing dryness or irritation. Free from harsh chemicals and parabens.
- Natural Extracts: Enriched with natural botanical extracts known for their soothing and calming properties, providing a refreshing sensation.
- Fragrance-Free: Unscented to minimize the risk of irritation and allergic reactions, making it suitable for sensitive skin.
- Dermatologist-Tested: Clinically tested and approved by dermatologists and gynecologists, ensuring its safety and effectiveness for everyday use.

SHAVING
SHAVING GEL

VAGIVAL Shaving Gel, developed by women doctors and gynecologists, is a gentle and effective shaving gel specifically designed for the intimate area. This luxurious gel provides a smooth and comfortable shave while protecting sensitive skin from irritation, cuts, and razor burn. Infused with moisturizing and soothing ingredients, it ensures a close shave without compromising the delicate balance of the skin.

KEY FEATURES

- ✓ Smooth and Creamy Texture: Forms a rich, balmy lather that allows the razor to glide smoothly over the skin, reducing friction and minimizing the risk of nicks and cuts.
- ✓ Hydrating Ingredients: Infused with moisturizing agents that hydrate the skin during shaving, preventing dryness and leaving the skin soft and supple.
- ✓ Soothing Properties: Contains soothing extracts that help calm the skin and reduce irritation, making it ideal for sensitive areas.
- ✓ Protective Formula: Creates a protective barrier on the skin to shield against razor burn and ingrown hairs, ensuring a comfortable shaving experience.
- ✓ Hypoallergenic and Fragrance-Free: Formulated without fragrances, parabens, and harsh chemicals, it is suitable for sensitive skin and minimizes the risk of irritation.

MENOPAUSE
MENO HYDRATING BALM

VAGIVAL Meno Hydrating Balm, developed by women doctors and gynecologists, is a specialized balm crafted to provide intense hydration and soothing relief for women experiencing dryness and discomfort in the intimate area, particularly during menopause. This rich, nourishing balm helps replenish moisture, restore comfort, and support the delicate balance of the vaginal area, making it an ideal choice for mature women seeking targeted care.

KEY FEATURES

- ✓ Intense Hydration: Formulated with deeply moisturizing ingredients to provide long-lasting hydration, alleviating dryness and discomfort effectively.
- ✓ Soothing Relief: Enriched with natural calming agents to soothe irritation and offer a comforting sensation.
- ✓ Hormone-Free: Free from hormones and synthetic additives, ensuring safety and suitability for daily use during and after menopause.
- ✓ pH-Balanced: Designed to maintain the natural pH of the intimate area, supporting a healthy environment and preventing further irritation.
- ✓ Hypoallergenic and Dermatologist-Tested: Formulated without fragrances, parabens, or harsh chemicals, making it gentle on sensitive skin and appropriate for daily use.

VAGIVAL

CALMING ITCHY AND DRY CREAM

VAGIVAL Itchy and Dry Cream is a specialized soothing and moisturizing solution designed to relieve discomfort caused by dryness and itching in the intimate area. Developed by women doctors and gynecologists, this gentle, dermatologist-tested cream helps restore natural moisture, soothe irritation, and protect sensitive skin, making it ideal for those experiencing occasional dryness or discomfort.

30ML

KEY FEATURES

- ✓ Soothing Relief: Contains calming ingredients known for their soothing properties to alleviate itching and irritation.
- ✓ Moisturizing Formula: Enriched with hydrating agents, this cream replenishes and maintains the skin's natural moisture barrier, providing long-lasting hydration.
- ✓ pH-Balanced: Formulated to match the natural pH of the intimate area, ensuring it supports a healthy environment without disrupting the natural balance.
- ✓ Hypoallergenic and Dermatologist-Tested: Free from fragrances, parabens, and harsh chemicals, making it suitable for sensitive skin and daily use.
- ✓ Protective Barrier: Forms a protective layer on the skin to shield against irritants and prevent further discomfort.

VAGIVAL

30ML

CALMING
RECTAL CALMING CREAM

VAGIVAL Rectal Calming Cream is a specially formulated solution designed to provide relief and soothing care for discomfort, itching, and irritation in the rectal area. Developed by women doctors and gynecologists, this gentle, non-greasy cream is enriched with calming and moisturizing ingredients to soothe sensitive skin and promote healing. It is ideal for those experiencing discomfort due to irritations and supports overall rectal health and comfort.

KEY FEATURES

- ✓ Soothing Ingredients: Contains natural soothing agents known for their calming properties, helping to reduce itching, burning, and irritation.
- ✓ Moisturizing Formula: Enriched with nourishing ingredients that hydrate and protect the delicate skin around the rectal area, preventing dryness and promoting healing.
- ✓ Fast-Absorbing: Features a non-greasy formula that absorbs quickly, providing immediate relief without leaving a sticky residue.
- ✓ Hypoallergenic and Gentle: Free from harsh chemicals, fragrances, and parabens, making it suitable for sensitive skin and daily use.
- ✓ pH-Balanced: Designed to match the natural pH of the skin, ensuring it does not disrupt the delicate balance of the rectal area.

VAGIVAL

CALMING
CALMING OIL

VAGIVAL Calming Oil, developed by women doctors and gynecologists, is a luxurious and soothing oil specifically designed for the delicate care of the intimate area. Infused with sweet almond oil and other natural ingredients, this product provides deep hydration, soothing comfort, and protection for sensitive skin. Its gentle formula helps alleviate dryness, irritation, and discomfort, making it ideal for daily use or during times of increased sensitivity.

KEY FEATURES

- ✓ Sweet Almond Oil: Rich in vitamins A, E, and fatty acids, sweet almond oil offers exceptional moisturizing and nourishing properties. It helps to soften the skin and restore its natural moisture balance.
- ✓ Soothing and Calming: Formulated with calming agents, it provides relief from redness and irritation, offering a soothing effect.
- ✓ Lightweight and Non-Greasy: The oil absorbs quickly into the skin, leaving it soft and smooth without a greasy residue.
- ✓ Hypoallergenic and Natural: Free from synthetic fragrances, parabens, and harsh chemicals, making it suitable for sensitive skin types.
- ✓ pH-Balanced: Maintains the natural pH balance of the intimate area, ensuring gentle care and supporting healthy skin.

EXPOSURE SPF 50+ HIGH PROTECTION DAY FACE CREAM

Enriched with 100% titanium dioxide and zinc oxide, Lancomed Exposure forms a barrier on the skin surface to reflect sun rays. It contains panthenol, a skin-soothing provitamin, to help regenerate the skin barrier. With its antioxidant formula, this SPF Day Cream provides optimal broad-spectrum UVA and UVB protection. Therefore, you can rely on it regarding the prevention of photoaging, cell damage, and other UV related skin diseases.

ADVANTAGES

- ✓ Contains no allergic fragrances
- ✓ Activates natural immune and cell protection
- ✓ Prevents sunburn and ageing of the skin
- ✓ Uses Vitamin E to protect the skin from environmental pollution
- ✓ Creates a protective film on the skin surface against UVA and UVB

LANCO® med
LABORATORIES GERMANY

EXPOSURE SPF 30+ BRIGHTENING UV SHIELD

The Exposure Brightening UV Shield SPF 30+ is a brightening sunscreen with a high protection factor of 30+. It immediately provides optimal broad-spectrum UVA and UVB protection. It visibly brightens and unifies your complexion and reduces the appearance of new pigmentation spots as well as the production of melanin. It is enriched with Vitamin E to protect the skin from environmental pollution. Several active ingredients like Kojic Acid, Vitamin C, Scutellaria Extract, Mulberry Bark Extract and Bearberry Biogreen block melanin and lighten the skin. Licorice extract contains an active called Glabridin, which inhibits tyrosinase, the enzyme that causes pigmentation in response to sun exposure.

ADVANTAGES

- ✓ Contains no allergic fragrances
- ✓ Brighter and radiant complexion
- ✓ Increases the luminosity of the skin
- ✓ Quercetin creates a protective film on the surface of the skin against UVA and UVB
- ✓ Activates natural immune and cell protection

EXPOSURE SPF 50+ HIGH PROTECTION BODY SPRAY

The Exposure SPF 50+ High Protection Body Spray protects the skin from various deleterious effects caused by solar radiation by acting as a free-radical scavenger. It thereby strengthens your skin's natural defence against sunlight. The innovative formula inhibits melanin release by blocking melanocytes, prevents cell damage caused by UVB radiation and slows down premature photoaging. It is enriched with Vitamin E, which has antitumorigenic and photoprotective properties to reinforce the barrier function of the skin and provide a soothing protective film over the skin. The spray contains the natural active ingredient "Witch Hazel Water" which increases skin cell growth and helps to reduce irritation. The product is absorbed by the skin within seconds and leaves no residue. It also provides the skin with the necessary moisture and makes the skin visibly smoother and more radiant.

ADVANTAGES

- ✓ Activates natural immune and cell protection
- ✓ Prevents sunburn and ageing of the skin
- ✓ Uses Vitamin E to protect the skin from environmental pollution
- ✓ Creates a protective film on the surface of the skin against UVA and UVB

SEBOSTASE EXTREME DRY SKIN CREAM

If you are struggling with extremely dry or chapped skin, the Lancomed Sebostase Extreme Dry Skin Cream should be your new go-to product. It was developed to promote the balance of the skin microbiota and thus strengthen the skin's natural defences. The Extreme Dry Skin Cream works by building the lipid barrier of the stratum corneum to balance the skin's water content. The best part is that it does all of this while protecting the skin's natural barrier. Moreover, the Extreme Dry Skin Cream is rich in natural sugars to improve the skin's appearance, moisturise and soften it.

ADVANTAGES

- ✓ Brings balance and relief to dry skin
- ✓ Promotes hydration, softness and suppleness of the skin
- ✓ Is non-comedogenic, anti-pruritic and anti-relapse
- ✓ Contains no allergic fragrances

LANCO® med

SEBOSTASE
DRY & FLAKY SCALP SERUM

A dry, flaky and irritated scalp is the result of harsh environmental conditions. This is where our Lancomed Sebostase Dry & Flaky Scalp Serum comes to the rescue. It orchestrates the renewal mechanism to build a robust scalp barrier against environmental influences. This scalp serum contains passion fruit seeds and lavender floral water. The passion fruit seeds slow down cell proliferation, while the lavender floral water soothes sensitive and irritated scalps. In addition, the Sebostase Serum is gentle on the scalp and can be used as daily scalp care for psoriasis.

50ML

ADVANTAGES

- ✓ Strengthens hair roots and boosts hair moisture
- ✓ Prevents all types of scalp problems including dandruffs
- ✓ Supplies the scalp with structural elements
- ✓ This serum is non-irritating and non-comedogenic
- ✓ Contains no allergic fragrances

LANCO® med

SEBOSTASE EXTREME ITCHY SKIN CREAM

Lancomed Sebostase Extreme Itchy Skin Cream gives you instant relief from itchy skin conditions. It is formulated to increase surface cohesion and hydration and strengthen the skin's barrier function. This prevents microbes from binding to skin lesions that cause irritation. Sebostase Extreme Itchy Skin Cream is highly effective as it also rebalances the skin's immune system. It helps to soothe flaky, dry and cracked skin and restore it to its natural, healthy state. In addition, it contains a natural formula that makes it equally suitable for babies, children and adults.

ADVANTAGES

- ✓ Alleviates skin discomfort in less than 1 week
- ✓ Perfect for reactive sensitive skin
- ✓ Can be applied on the face and entire body
- ✓ This cream is non-irritating and non-comedogenic
- ✓ Contains no allergic fragrances

SEBOSTASE ATOPIC NEURO CREAM

If you have dry or sensitive skin prone to irritation, flaking and desquamation, the Lancomed Sebostase Atopic Neuro Cream is perfect for you. Formulated with a biomimetic complex, it combines nature with scientific and technical restructuring agents. For this reason, this Neuro Cream provides a continuous basic requirement for proper hydration and optimal skin comfort. It works by preventing or reversing neurogenic signs to provide efficient soothing benefits. It also provides the skin with essential restorative elements for its comfort.

ADVANTAGES

- ✓ Intensely nourishes and repairs the skin
- ✓ Provides a unique skin barrier recovery complex by tapping moisture
- ✓ Helps control the symptoms of psoriasis and prevent reoccurrence
- ✓ This cream is non-irritating and non-comedogenic
- ✓ Contains no allergic fragrances

LYSOME HYPER PIGMENT DISCOLORATION SERUM

This Hyper Pigment Discoloration Serum is designed to suppress the enzymes that stimulate melanin. It reduces skin pigment production and increases skin luminosity. It contains a unique formula that slows the process by which UV light causes pigmentation, preventing pigmentation problems. Lysome Serum is safe and effective for dark spots, age spots and hyperpigmentation. It also helps to prevent cell damage caused by UVB radiation and reduces the release of inflammatory cytokines.

ADVANTAGES

- ✓ Protects against infrared radiation and its effects
- ✓ Visibly reduces black spots to illuminate the skin complexion
- ✓ Reduces autophagy faced to UVA and blue light
- ✓ This serum is non-irritating and non-comedogenic
- ✓ Contains no allergic fragrances

LANCO® med
LABORATORIES GERMANY

LYSOME HYPER PIGMENT OVERNIGHT CREAM

Our skin is constantly under stress. Air pollution accelerates ageing and internal stress increases chronological ageing. These stresses lead to visible imperfections in the skin. Lysome Hyper Pigment Overnight Cream reduces hyperpigmentation, age spots and the contrast between hyperpigmented and spot-free areas in 14 days for visibly brighter and more radiant skin. With highly effective ingredients, the Overnight Cream reduces melanin production and brightens your skin tone after overnight use. It restores the skin's barrier function and improves the appearance of the skin.

50ML

ADVANTAGES

- ✓ Reduces hyperpigmentation
- ✓ Reduces age spots & acne marks
- ✓ Anti-ageing effect - fights wrinkles & fine lines
- ✓ This cream is non-irritating and non-comedogenic
- ✓ Contains no allergic fragrances

EXFOLIATE OVERNIGHT RENEW CREAM 10% AHA

Improve the appearance of your skin today with Lancomed Exfoliate Overnight Renew Cream 10% AHA. It is designed to slough off dead cells in the outermost layer of the skin and promote cell turnover. The result: skin looks more even and radiant. The Overnight Renew Cream is an exfoliating product that, unlike its competitors, stays on the skin and continues to work even after cleansing. In addition, it has a rich formula that nourishes, moisturises and repairs the skin from the inside out.

ADVANTAGES

- ✓ Removes dead skin cells and improves skin texture
- ✓ Helps to keep pores clean and unclogged
- ✓ Gives the skin a refreshed and revitalised complexion that lasts longer
- ✓ Leaves skin smoother and more radiant
- ✓ This cream is non-irritating and non-comedogenic
- ✓ Contains no allergic fragrances

LANCO® med
LABORATORIES GERMANY

EXFOLIATE 30% AHA + 2.0% BHA SOLUTION

Exfoliation Solution is a weekly skin treatment that helps to peel off the top layer of the skin. The Lancomed Exfoliate 30% AHA & 2.0% BHA solution is a highly effective solution that uses an AHA blend to exfoliate dead and dull skin to reveal fresher, smoother skin with refined tone and texture. BHA penetrates deep into pores to relieve clogging and prevent breakouts. Moreover, this exfoliating serum is enriched with fruit extracts to soothe and hydrate the skin.

ADVANTAGES

- ✓ Leaves the skin looking smooth and more radiant
- ✓ Minimizes pores and diminishes the appearance of blemishes
- ✓ Gets rid of stubborn dead cells for a glowing finish
- ✓ This treatment is non-comedogenic
- ✓ Contains no allergic fragrances

EXFOLIATE PODIATRY 10% AHA + 2.0% BHA FOOT CREAM

Thanks to the Lancomed Exfoliate Podiatry 10% AHA + 2.0 BHA foot cream, soft and smooth feet are now easier to achieve than ever. It exfoliates the dead skin cells on the feet to reveal the new, lighter layers underneath. This Podiatry Foot Cream is designed to stimulate the fibroblasts in the dermis to produce more collagen. This improves the skin's elasticity, hydration and smooth appearance and supports the formation of healthy new cells. In addition, this cream acts as a refatting agent to restore lipids and quickly generate moisture.

ADVANTAGES

- ✓ Intensely exfoliates rough skin and prevents dry rough skin
- ✓ Penetrates dry damaged skin on the feet and heels
- ✓ Soothes and calms itching and irritation
- ✓ Helps the skin to generate new cells
- ✓ This cream is non-irritating and non-comedogenic
- ✓ Contains no allergic fragrances

The smile of babies is contagious:
A healthy, radiant child makes our hearts beat faster. Babylu is committed to this feeling of happiness. We strive to support parents with our versatile and beneficial products in every situation of their daily life with a new-born. Welcome us in the circle of your family. Because one thing is for sure with Babylu: We will always make your little darling smile.
Baby skin needs gentle nursing to keep it in balance. Therefore we carefully choose ingredients that, in combination, unfold a mild and neutral effect and do not overwhelm the sensitive skin. For this reason Babylu renounces substances such as parabens, paraffin, silicones, perfumes and much more, which could trigger allergies. Babylu was created based on this philosophy: To protect and pamper baby skin. With this principle always in mind, we constantly work to serve the needs of newborns and babies and to offer balanced baby care products with which responsible oriented parents meet the demands of sensitive baby skin.
All Babylu products are vegan and dermatologically certified.

CARE
DIAPER RASH SPRAY

100ML

The ultimate solution to provide quick and effective relief for your little one's delicate skin. This specially formulated spray is designed to combat and prevent diaper rash, keeping your baby comfortable and happy. Our gentle and soothing formula is carefully crafted with love and attention to your baby's sensitive skin. It contains natural ingredients known for their calming and nourishing properties, helping to soothe existing diaper rash, and preventing its recurrence. The non-greasy and lightweight texture of the spray allows it to be easily absorbed, ensuring your baby's skin remains dry and comfortable.

CHARACTERISTICS:

- ✓ Suitable for infants
- ✓ For daily use
- ✓ Dermatologically tested

DOES NOT CONTAIN:

- ✓ Fragrance which could cause allergy
- ✓ Parabens
- ✓ Silicones
- ✓ Materials of animal origin (Vegan)

CARE
FACE CREAM

Babylu Face Cream containing aloe vera, camomile extracts from controlled biological produce, hamamelis extracts, panthenol and calendula oil moisturises and prevents sensitive skin against drying. These highly valuable components soothe the skin, prevent its irritation and also efficiently protect the skin against drying.

Babylu Face Cream is easily applied on skin and quickly absorbed.

APPLICATION:

After washing, apply the cream on the face and rub in gently.

CHARACTERISTICS:

- ✓ Protects the skin against drying

CARE
WIND & WEATHER FACE CREAM

75ML

In winter, thin and sensitive baby's skin requires intensive care. Owing to its highly valuable active components Babylu Wind & Weather Face Cream creates a solid protective barrier against cold, windy weather and drying.

The formula with calendula oil, high levels of linoleic acid - source of vitamin E, rosa moschata seed oil, magnesium, aloe vera and rosemary extracts soothes skin irritation and makes baby skin delicate and elastic.

APPLICATION:

On cold and windy days apply the Babylu Wind & Weather Face Cream half an hour before going out.

CHARACTERISTICS:

- ✓ Protection against cold, windy weather and drying
- ✓ Suitable for infants
- ✓ For daily use
- ✓ Dermatologically tested

DOES NOT CONTAIN:

- ✓ Fragrance which could cause allergy
- ✓ Parabens
- ✓ Silicones
- ✓ Materials of animal origin (Vegan)

CARE
DIAPER CREAM

The babies, due to feces and urine in the diaper area are especially exposed to dermatitis, which may cause the diaper dermatitis. The components that support healing wounds, contained in Babylu Diaper Cream prevent wounds, protect and condition baby skin in the diaper area. Zink oxide, lanolin, magnesium and calendula oil help to heal wounds and intensively moisturise and accelerate the creation of new cells.

APPLICATION:

At each change of diaper apply a thick layer of Babylu Diaper Cream on clean and dry skin, especially in skin folds.

CHARACTERISTICS:

- ✓ Suitable for infants
- ✓ For daily use
- ✓ dermatologically tested

DOES NOT CONTAIN:

- ✓ Fragrance which could cause allergy
- ✓ Parabens
- ✓ Silicones
- ✓ Materials of animal origin (Vegan)

EXITANS NIOGEN™ SHAMPOO / MEN

VISIBLY IMPROVES HAIR QUANTITY AND QUALITY

NIOGEN™, obtained from nature, is a combination of botanical active ingredients that reduces hair loss, stimulates growth and increases hair density.
A combination of 3 plants (Scutellaria baicalensis, Triticum vulgare sprout and Glycine max sprout) that increases cellular energy and activates follicle stem cells (ATP), while protecting them from senescence. L-Arginine increases the level of nitric oxide, thereby promoting hair growth.
NIOGEN™ provides sugars to the follicles, which enter the citric acid cycle and increase cellular respiration. In in vitro assays with NIOGEN™ it can be seen that both isolated mitochondria and intact cells increase oxygen consumption.

KEY POINTS IN THE MECHANISM OF ACTION OF NIOGEN™

- ✓ An increase in glycolysis and ATP production → more active and vigorous follicles.
- ✓ The activation of stem cells → initiation of a new anagen phase, leading to hair growth and greater hair density.
- ✓ Mitochondrial DNA protection against oxidative stress and ROS reduction in stem cells and fibroblasts → more active and healthier cells, leading to a longer anagen phase and thicker and denser hair.
- ✓ The preservation of follicle fibroblasts from senescence for longer time, resulting in an extension of the anagen phase.

IS DERMATOLOGY TESTED AND ITS PH VALUE IS SUITABLE FOR THE SCALP.

Apply to wet hair and scalp and massage in gently. Let it act for 1 to 2 minutes and rinse throughly with plenty of water.

EXITANS NIOGEN™ CONDITIONER / MEN

PROTECT SCALP CELLS AGAINST SENESCENCE

NIOGEN™, obtained from nature, is a combination of botanical active ingredients that reduces hair loss, stimulates growth and increases hair density.

EXITANS ATP™ CAFFEINE SHAMPOO

VISIBLY IMPROVES HAIR QUANTITY AND QUALITY

Exitans ATP™ Caffeine Shampoo helps to promote hair growth as the chemical targets DHT, which is the hormone responsible for hair loss. When the hormone DHT attaches itself to the hair follicles it prevents the vitamin, proteins and minerals from providing the hair with the nutrients needed to keep the hair growth cycle going.
Exitans ATP™ Caffeine Shampoo has a positive effect on the hair follicle; the chemical causes hair cells to produce more ATP (ATP is the energy of our biological cells). The production of more ATP helps the hair follicle in its active growing phase, this results in the hair continuing to grow.

THE FUNCTION OF ATP

- ✓ The ATP is used for many cell functions including transport work moving substances across cell membranes.
- ✓ ATP is also used as an on-off switch both to control chemical reactions and to send messages.
- ✓ The ATP molecule can bond to one part of a protein molecule, causing another part of the same molecule to slide or move slightly which causes it to change its conformation, inactivating the molecule.

IS DERMATOLOGY TESTED AND ITS PH VALUE IS SUITABLE FOR THE SCALP.

Apply to wet hair and scalp and massage in gently. Let it act for 1 to 2 minutes and rinse throughly with plenty of water.

KERATIN & COLLAGEN SHAMPOO

WHY MALOU KERATIN & COLLAGEN SHAMPOO

During the first step of the Malou Keratin & Collagen service, the hair fibre is optimally prepared. The Malou Keratin & Collagen Shampoo provides smoothing, softness, and advanced hydration and slightly lift the cuticule. Deeply cleansing for damaged hair with new increased elasticity.

HOW IT WORKS

Rich lather gently cleanses while maintaining the integrity of over-processed hair. Formula with keratin, collagen and cashmere extract provides targeted reinforcement and moisture balance to the hair.

HOW TO USE

Apply to wet hair. Leave for 1-2 minutes and repeat if necessary. Massage and rinse thoroughly. For daily use.

MALOU®
PROFESSIONAL HAIR CARE

KERATIN & COLLAGEN CONDITIONER

250ML

WHY MALOU KERATIN & COLLAGEN CONDITIONER

Malou Keratin & Collagen Conditioner is designed to strengthen and repair weak, damaged hair. Cashmere fibres soften, strengthen, repair, define and moisturize damaged hair leaving them bouncy, shiny and silky smooth.

HOW IT WORKS

The keratin & collagen complex with pure cashmere extract extends the effect of the Malou Keratin & Collagen Conditioner. It seals in moisture and intensely smoothes the hair.

HOW TO USE

Apply to wet hair with a slow massaging motion. Leave it to process for 5 minutes. Rinse thoroughly from hair.

MALOU®
PROFESSIONAL HAIR CARE

150ML

KERATIN & COLLAGEN TREATMENT

WHY MALOU KERATIN & COLLAGEN TREATMENT

The Malou Keratin & Collagen Treatment is a specifically treat for weak and damaged hair. It leaves your hair strong and super soft. Frizzy hair undesired curls or unruly waves are turned into soft, manageable and shiny hair which is much easier and faster to style every day.

HOW IT WORKS

The special blend of proteins and peptides penetrate hair cuticle and reduce stiffness and natural curl. The keratin & collagen formula delivers important ingredients which improve the softness and help to reduce friction, enabling the hair to better withstand heat. It contains cashmere extract for reconstructing & reinforcing.

HOW TO USE

Apply a generous amount, starting at the root of the hair and working it all the way to the ends. Leave it to process for 10 to 15 minutes and rinse thoroughly. Style as usual.

MALOU®

ANTI-UV & ANTI-POLLUTION SHAMPOO

250ML

WHY MALOU ANTI-UV & ANTI-POLLUTION SHAMPOO

Malou Anti-UV & Anti-Pollution Shampoo protects hair against environmental stress and pollution: dust, UV and exhaust gas. It protects hair fiber from oxidative damage generated by sun radiation (Lotus Effect). It is specially formulated to preserve the balance of all hair types exposed to urban pollution. Strengthening effect on hair fiber for extremely damaged hair.

HOW IT WORKS

It eliminates the accumulation of polluting particles and detoxifies the hair and scalp. Cleanses damaged hair, improves the strength of hair fibres and protects hair fibres leaving it soft, shiny and full of body. The hair's overall health improves.

HOW TO USE

Apply to wet hair. Leave for 1-2 minutes and repeat if necessary. Massage and rinse thoroughly. For daily use.

WHY MALOU COLOR PROTECT & REPAIR SHAMPOO

Malou Color Protect & Repair Shampoo is deeply nourishing, moisturizes hair and restructures fibers wherever needed most. Malou Color Protect & Repair Shampoo helps to protect and repair color-treated hair.

HOW IT WORKS

Malou Color Protect & Repair Shampoo helps express and retain color in the dyed hair, it improves hair feel, comb and manageability. The formula contains new ingredient, SoBind™ and Hairsphere™. The film forming properties of SoBind™ improves hair feel, reduces fly away and prevents hair static charge build up. Hairsphere™ is a system with fatty acids that provides long-lasting moisture.

HOW TO USE

Apply to wet hair. Leave it to process for 1-2 minutes. Massage and rinse thoroughly. For daily use.

MALOU®
PROFESSIONAL HAIR CARE

COLOR PROTECT & REPAIR CONDITIONER

250ML

WHY MALOU COLOR PROTECT & REPAIR CONDITIONER

Malou Color Protect & Repair Conditioner whips the shine on single tone colour for evensurface colour shine and long-lasting vibrancy. Detangles, hydrates and repairs damaged and colored hair.

HOW IT WORKS

Conditioner for color treated hair, resurfacing the cuticle for a smooth, vibrant finish. This new formula contains SoBind™ and Hairsphere™ that helps with color retention, anti-fade protection, maximizes color vibrancy and strengthens hair. Intensely nourishing the hair fibre, long lasting colour protection.

Try Malou Color Protect & Repair Conditioner for color treated hair to improve your hair's health and appearance.

HOW TO USE

Apply to wet hair with a slow massaging motion. Leave it to process for 5 minutes. Rinse thoroughly from hair.

COLOR PROTECT & REPAIR TREATMENT

WHY MALOU COLOR PROTECT & REPAIR TREATMENT

Malou Color Protect & Repair Treatment is a lightweight nourishing treatment for an instant transformation, resulting in healthy-looking and luminous hair. This powerful, luxurious formula absorbs into every hair fiber to revitalize colored hair for an magnify shine.

HOW IT WORKS

Malou Color Protect & Repair Treatment contains SoBind™, Hairsphere™ and activated blends.
The hair will be left vibrant, shiny and healthy looking – no matter what colour you choose to go.

HOW TO USE

Apply a generous amount, starting at the root of the hair and working it all the way to the ends. Leave it to process for 10 to 15 minutes and rinse thoroughly. Style as usual.

MALOU®
PROFESSIONAL HAIR CARE

ANTI-FRIZZ & SMOOTHING SHAMPOO

250ML

WHY ANTI-FRIZZ & SMOOTHING SHAMPOO

Malou Anti-Frizz & Smoothing Shampoo formulated to help control and smooth straightened hair. It is the ultimate shampoo for frizzy, rebellious hair. Deeply cleansing and nourishes.

HOW IT WORKS

Malou Anti-Frizz & Smoothing Shampoo is formulated with Inchi Oil, a high level of Omega 3, 6 & 9 fatty acids that make your hair glossy and healthy. It is also infused with Glossyliance. The natural extract from sugar cane and lemon zest improves hair gloss and closes the hair scales, making the hair smoother. Glossyliance also increases the suppleness of the hair

HOW TO USE

Apply to wet hair. Leave for 1-2 minutes and repeat if necessary. Massage and rinse thoroughly. For daily use.

COLLAGEN PEPTIDE BOOSTER SERUM

Unleash the power of youthful radiance with our revolutionary Nanoderma Collagen Peptide Booster Serum. Crafted with cutting-edge technology and the finest ingredients, this serum is specifically designed to rejuvenate, revitalize, and restore your skin to its most youthful and radiant state.

Enriched with a potent blend of collagen peptides, which are tiny protein fragments that deeply penetrate your skin, promoting natural collagen production. This results in visibly firmer, smoother, and more supple skin.

The Nanoderma Collagen Peptide Booster Serum goes beyond the surface, delivering intense hydration to the deeper layers of your skin. Experience the transformation as fine lines and wrinkles are visibly reduced, and your complexion becomes plump and dewy.

Formulated with powerful antioxidants and nourishing botanicals, this serum provides vital support to your skin's natural barrier. It helps shield your skin from environmental stressors, reducing the impact of pollutants and UV rays, and promoting a healthy, resilient complexion.

OVERNIGHT DETOX RENEW SERUM

Nanoderma Overnight Detox Renew Serum - an advanced and revolutionary skincare solution crafted to deliver unparalleled results for your skin.

Deeply penetrates the skin's layers to effectively detoxify and eliminate accumulated impurities and pollutants. By purging your skin of daily environmental stressors, it promotes a refreshed and radiant appearance upon waking.

Experience a radiant transformation as the Overnight Detox Renew Serum stimulates skin renewal processes. Its potent antioxidants and natural extracts work synergistically to gently exfoliate, revealing a more luminous and youthful complexion that glows with vitality.

Infused with powerful anti-aging properties, the serum helps combat the visible signs of aging, minimizing the appearance of fine lines and wrinkles. Achieve a smoother, more refined texture and embrace a youthful visage.

NATURAL ORGANIC AHA 30 % + BHA 2 % FACE PEELING

A premium exfoliating treatment designed to rejuvenate your skin with the power of natural and organic ingredients. This expertly crafted face peeling formula combines the benefits of Alpha Hydroxy Acids (AHA) and Beta Hydroxy Acid (BHA), offering an effective and gentle solution to reveal a smoother, more radiant complexion.

Exfoliating prowess of Alpha Hydroxy Acids sourced from organic botanicals. These gentle yet effective acids work to remove dead skin cells, even out skin tone, and reduce the appearance of fine lines and blemishes, leaving your skin with a fresh and youthful glow.

Incorporated with Beta Hydroxy Acid, derived from organic sources, this formulation deeply penetrates pores to dissolve impurities and excess sebum. The BHA component helps minimize the appearance of pores, refine skin texture, and prevent future breakouts, ensuring a clear and clarified complexion.

ELAINE PERINE

HAIR STOP DEO

50ML

We have the solution, as the first brand in the world we have developed a deodorant stick that both keeps you fresh for 48h and step by step reduces the growth of underarm hair through natural and vegan ingredients - a real all-rounder and all without pain.

Effectiveness proven by study

- Reduces hair thickness by 24% after 42 days.
- Inhibits hair growth by 37% after 42 days.
- Ideal to reduce underarm hair in the long term.
- Long lasting results, completely painless, vegan, dermatologically tested and without any side effects.

CERAMIDES BODY CREAM

Elaine Perine Ceramides Body Cream - the ultimate solution for extreme dry skin. Enriched with Alpha-Glucan, Squalane, and Urea 5%, this luxurious body cream provides intense hydration and nourishment, leaving your skin feeling soft, smooth, and revitalized. The combination of Ceramides, Alpha-Glucan, Squalane, and Urea 5% creates a powerful blend that helps to repair the skin's natural barrier and lock in moisture, preventing moisture loss and promoting long-lasting hydration.

Ceramides play a vital role in maintaining the skin's moisture balance, while Alpha-Glucan enhances the skin's ability to retain water, providing an extra layer of hydration. Squalane, a lightweight and non-greasy moisturizer, further helps to soften and nourish the skin, promoting a supple and healthy appearance.

The inclusion of Urea 5% offers additional moisture retention and exfoliating properties, aiding in the removal of dry, flaky skin, and revealing a smoother, more radiant complexion.

ELAINE PERINE NO SPOTS is developed to visibly reduce the appearance of dark marks and skin discolorations for an even, natural skin tone. When used as directed, the visible result will show within 3 weeks and improve with continuous use.

APPLICATION: Apply 2 time a day on your face and neck after cleaning your face.

CAUTION: Avoid contact with eyes. Discontinuous use if severe irritation occurs.

15ML

ELAINE PERINE

NO SPOTS FACIAL ANTI-PIGMENT SERUM

30ML

Elaine Perine No Spots Facial Anti-Pigment Serum was designed to remove all darks spots. Whether as a results of age spots, freckles, hyperpigmentation, or skin discoloration, this serum can clear it all. Significantly improves skin luminescence, significantly reduces age spot pigmentation and color, prevents UV-induced erythema and prevent resurgence of age spots.

People with various skin types the world over are prone to dark spots due to exposure to the sun and pollution or simply as a result of aging. Pure molecule, Radianskin™ is a brightening active, safe and highly effective age-spot eraser. The active blocks the release of melanin and helps prevent cell damage from UV rays.

WHITENING FACE CREAM

ELAINE PERINE WHITENING FACE CREAM is effective skin brightening solution with UV-light protection. Improve the skin tone and helps to fade out the skin blemishes. After continuously using you will see the real difference on your skin tone.

APPLICATION: Apply 2 time a day on your face and neck after cleansing.

CAUTION: Avoid contact with eyes. Discontinuous use if severe irritation occurs.

50ML

ELAINE PERINE

BRIGHTENING FACIAL SERUM + VITAMIN B5

30ML

Not only does the Elaine Perine Brightening Facial Serum reduce the appearance of dark sports but also it helps preserve the appearance of natural skin tone. It works by keeping the skin firm, smooth, hydrated, and radiant while reducing fine lines. This serum is vegan and animal cruelty-free.

This serum combines Vitamin C, Vitamin E, and other advanced ingredients to result into a clearer, brighter skin in just a few weeks. Moreover, this serum is suitable for all skin types, especially those with fine lines, dark spots, dryness, as well as wrinkles.

COPPER PEPTIDES 1% FACE PLUMING SERUM

Elaine Perine Copper Peptides 1% Face Plumping Serum - a powerful and innovative skincare solution designed to enhance the appearance of your skin and promote a youthful, plumped-up complexion.

Enriched with a potent concentration of Copper Peptides, this serum works wonders on your skin's texture and elasticity. Copper Peptides are known for their ability to stimulate collagen production, supporting the skin's natural renewal process and reducing the appearance of fine lines and wrinkles.

As you apply the serum to your face, it gently absorbs, delivering a surge of nourishment and hydration deep within the skin's layers. This results in a visibly plumped and smoother complexion, leaving you with a radiant and youthful glow.

Elaine Perine's Copper Peptides 1% Face Plumping Serum is crafted with care, ensuring it's suitable for all skin types. Its lightweight and non-greasy formula allows for easy application, making it an ideal addition to your daily skincare routine.

30ML

ELAINE PERINE

VITAMIN C 15% SERUM +TOCOPHEROL 1%

30ML

Elaine Perine Vitamin C 15% + Tocopherol 1% Serum - a potent and revitalizing skincare product that harnesses the power of Vitamin C to brighten, protect, and rejuvenate your skin. This advanced serum contains a high concentration of Vitamin C, known for its exceptional antioxidant properties. Vitamin C helps to neutralize free radicals and environmental pollutants, protecting your skin from damage caused by UV rays and pollution. This defense against external aggressors contributes to a more youthful and radiant complexion. Elaine Perine Vitamin C 15% Serum also plays a vital role in promoting collagen production, which is essential for maintaining skin elasticity and reducing the appearance of fine lines and wrinkles.

The lightweight and fast-absorbing formula of this serum allows it to penetrate deeply into your skin, delivering its benefits at a cellular level. It also works to fade dark spots and hyperpigmentation, giving your skin a more even tone and a luminous glow.

2% SALICYLIC ACID+1% ZINC SERUM
ACNE PRONE, OILY SKIN

Elaine Perine 2% Salicylic Acid + 1% Zinc Serum - a targeted solution for acne-prone and oily skin. This powerful serum is formulated with a potent combination of Salicylic Acid and Zinc to combat breakouts and regulate excess oil production, promoting a clearer and healthier complexion.

Salicylic Acid is a beta hydroxy acid known for its deep-cleansing properties. It effectively unclogs pores by exfoliating dead skin cells and debris, helping to prevent the formation of blackheads and whiteheads.

By keeping the pores clear, the serum reduces the likelihood of future breakouts and promotes a smoother skin texture. Additionally, the presence of 1% Zinc in the serum helps to control sebum production, which is particularly beneficial for individuals with oily skin. Excessive oil production can contribute to acne formation, and the inclusion of Zinc helps balance sebum levels, minimizing shine and providing a more matte appearance.

20G

100% ASCORBIC ACID FINE POWDER

100% Ascorbic Acid Fine Powder, vitamin C in its purest form, is a powerful antioxidant and helps to naturally slow down the aging process of the skin. L-ascorbic acid is even known to reduce existing hyperpigmentation and fine wrinkles. Vitamin-C loses its effectiveness when mixed with water, oil, or sunlight. For this reason, this product comes in powder form to ensure that you get the maximum effect when mixing it with a Elaine Perine Serum.

- Provides a radiant complexion
- Increases collagen production
- Tightening and toning of the skin
- Regeneration of new skin cells
- Lightening pigmentation
- Improves the texture of your skin
- Neutralize free radicals

APPLICATION: Dilute one-half teaspoon of the powder with 10 drops of an Elaine Perine serums or water in the palm of your hand and mix. The powder must be completely dissolved to be absorbed by the skin. Apply it to your face. A tingling sensation may occur. Ideal for use up to 4 days per week. Discontinue use if irritation occurs.

UV PROTECTIVE PACKAGING

100% NIACINAMIDE POWDER

100% Pure Niacinamide in powder form to enrich Elaine Perine serums. For an even complexion.

APPLICATION: Dilute one-half teaspoon of the powder with 10 drops of an Elaine Perine serum or water in the palm of your hand and mix. Avoid the mouth and eye area. A tingling effect may occur at the beginning of the application. Once the skin has become accustomed to it, the application can be slowly increased to once a day. Always mix freshly. To begin, test the mixture on a clean area of skin on the inside of the upper forearm and wait at least 24 hours. Wash hands after application. Warning: do not combine with vitamin C or niacinamide enriched products or AHA/BHA peels. Has a brightening effect. Do not apply to sensitive or irritated skin. In case of intolerance, stop using the product. Seek medical advice if irritation persists. Use niacinamide powder only according to intended use. Not for consumption. Avoid direct skin contact and use only diluted. Avoid eye contact. In case of eye contact, rinse thoroughly with water. Do not inhale powder. Always close container tightly. Store in a cool, dry and dark place. Keep out of the reach of children.

30ML

COUPEROSE FACIAL SERUM

Anyone prone to couperose should attach importance to the right care and protection of the skin and opt for an effective active ingredient complex that reduces redness. Couperose Facial Serum helps treat broken capillaries that cause redness while minimizing water loss for a soft, supple appearance. With its innovative active ingredient complex, this intensive concentrate has been proven to reduce the annoying reddening of the skin associated with couperose and also alleviate the common problem of facial redness for visible and noticeable results.

This face serum is light and non-greasy to improve skin elasticity and minimize fine lines. It is made up of natural plant-based ingredients, making it suitable for all skin types.

MULTI-PEPTIDE EYE SERUM

Elaine Perine Multi-Peptide Eye Serum - a luxurious and advanced skincare solution designed to target and revitalize the delicate skin around your eyes.

The skin around the eyes is thinner and more susceptible to signs of aging, such as fine lines, wrinkles, and puffiness. Elaine Perine Multi-Peptide Eye Serum is specially formulated with a powerful blend of peptides, known for their rejuvenating properties, to address these concerns and promote a youthful and radiant appearance.

The carefully selected peptides work synergistically to boost collagen production, helping to improve the skin's elasticity and reduce the appearance of crow's feet and fine lines. Additionally, the serum's potent formula aids in reducing puffiness and dark circles, leaving your eyes looking refreshed and revitalized.

10ML

ELAINE PERINE

CAFFEINE 5% + NIACINAMIDE 3.5% EYE SERUM

10ML

Elaine Perine Caffeine 5% + Niacinamide 3.5% Eye Serum - a potent and revitalizing skincare solution designed to target and rejuvenate the delicate skin around your eyes.

The eye area is prone to puffiness, dark circles, and signs of fatigue. Elaine Perine Caffeine 5% + Niacinamide 3.5% Eye Serum is carefully formulated to address these concerns and promote a more refreshed and youthful appearance.

Caffeine, a key ingredient in this serum, helps to reduce puffiness by constricting blood vessels and improving circulation. It also possesses antioxidant properties that protect the skin from free radical damage, helping to combat signs of aging.

Niacinamide, also known as Vitamin B3, is another powerful component of this serum. It enhances the skin's barrier function, locking in moisture and promoting a smooth and plump appearance. Niacinamide also helps to brighten the skin, reducing the appearance of dark circles and uneven skin tone around the eyes.

ARGIRELINE 10% EYE SERUM

Elaine Perine Argireline 10% Eye Serum - a powerful and innovative skincare solution designed to target and diminish the appearance of fine lines and wrinkles around the delicate eye area.

Argireline, a key ingredient in this serum, is a peptide known for its anti-aging properties. It works by relaxing facial muscles, which can help reduce the formation of fine lines and expression wrinkles, particularly around the eyes. By gently relaxing the muscles, Argireline contributes to a smoother and more youthful-looking eye area.

Elaine Perine Argireline 10% Eye Serum is thoughtfully formulated with a high concentration of this potent peptide, ensuring its effectiveness in addressing visible signs of aging.

Experience the transformative effects of Elaine Perine Argireline 10% Eye Serum and unlock the secret to a more youthful and smoother eye area. Embrace the confidence of knowing that your fine lines and wrinkles are being addressed, allowing your natural beauty to shine through.

The fast-absorbing formula is also water-resistant, making it perfect for outdoor activities and sports.

SPF 100+ SUPERDEFENCE SOLAR CREAM

Elaine Perine SPF 100+ Superdefence Solar Cream - your ultimate defense against solar allergies, photosensitization reactions, and other types of photodermatosis. This powerful solar cream is designed to provide maximum protection against harmful UVA and UVB rays, ensuring your skin stays safe and healthy under the sun.

Our specially formulated solar cream creates a protective film on the surface of your skin. This film acts as a barrier, shielding your skin from the damaging effects of UV radiation, reducing the risk of solar allergies and photosensitization reactions.

By activating natural immune and cell protection mechanisms, this solar cream enhances your skin's ability to defend itself against sun-induced damage. In addition to its protective properties, our solar cream also boosts the luminosity of your skin, giving you a radiant and healthy glow.

100ML

ELAINE PERINE

30ML

SELF TANNING DROPS

With Elaine Perine Tanning Drops, you can have a natural and individual tan with ease. The plant-based ingredients and easy dosage ensure that the concentrate adapts to your skin for an even and tanned skin tone. The ingredient Vegetan colours the upper layer of the epidermis and creates the self-tanning effect. A natural summer glow without sun and UV stress!

APPLICATION: Mix 3-10 drops depending with your favourite cream and apply generously on the skin. Increase the intensity of the tan by adding more drops Wash hands thoroughly afterwards. Use 2-3 times a week to maintain your tan.

Vegan, dermatologically tested and for all skin types.
