ARNICA BALM

ACTIVE INGREDIENTS
Phytosterols, fatty acids, essential oils

250ML

PRODUCT PROFILE
This Arnica Balm gently cares for your skin, making it soft and silky smooth. Its gentle pH-neutral formula protects the skin from the harmful effects of the sun, wind and air, and has a soothing and calming effect.

EFFECT
Along with essential oils and flavonoids, the flowers of the arnica plant also contain sesquiterpene lactone, a helenalin with powerful anti-inflammatory, decongestant and antiseptic properties. Arnica flower extracts are traditionally used externally for strains and bruises.

ACTIVE REFRESHING GEL

PRODUCT PROFILE
With its quality and refreshing ingredients, this cooling Active Refreshing Gel stimulates and energizes, while pleasantly cooling overheated, burning feet. Especially for use after intense physical exercise, the gel is quickly absorbed, refreshing and reviving.

EFFECT
Active Refreshing Gel effectively cools and refreshes overheated and tired legs and feet. Ideal for use after intense physical exercise or a long period of standing. The gel is absorbed quickly and leaves no residue.

Crevil essential

ACTIVE INGREDIENTS
Menthol, camphor, eucalyptus oil

250ML

Crevil essential

OLIVE CREAM WITH VITAMIN E

PRODUCT PROFILE

Use this refreshing olive oil skin care formula daily on normal to very dry skin. The cream forms a protective barrier against the harmful effects of the elements and regulates the skin's moisture content, making it silky smooth and soft to the touch.

EFFECT

Olive oil contains alpha-tocopherol, the form of vitamin E which is most easily absorbed into the body and which improves the skin's elasticity and condition. When it comes into contact with human cells, olive oil has a stabilising effect on the cell membranes, making the cells more resistant to the harmful effects of free radicals, and thereby working as a natural antioxidant. Olive oil also removes calluses and has warming properties.

ACTIVE INGREDIENTS

Tocopherols, phenols, polyphenols, fatty acids, olive oil

250ML

Crevil essential

LEG CREAM WITH HORSE CHESTNUT

PRODUCT PROFILE

This Leg Cream from the Crevil Essential range cares for and revives tired legs, smoothing and softening the skin. Suitable for the daily care of tired legs and feet. PH neutral.

EFFECT
